LWVAV NEWS

An Eventful New Year

The LWVAV board is in the process of planning several activities that will help achieve our goals of greater voter participation and knowledge.

We have a commitment to host candidate forums for every elective board in the Antelope Valley, including school and water districts. Never before have voters had a chance to get to know these candidates in this way.

We are currently working on the forum for the upcoming Senate special election.

To help us accomplish this effort we are developing a moderator training program so that we have a corps of skilled interviewers able to illicit the information voters need to make competent decisions.

We will also continue our series of "Pro/Con" events to inform voters about state propositions.

And starting this month we will have a quarterly Topic Luncheon (see below) that promises to be entertaining as well as educational.

Our website, lwvav.org should be completely operational shortly. Soon you will be able to join LWVAV through the site as well as pay for Topic Luncheons.

Yes, we have much to do but we cannot be successful without your help and support. Join us and become an active participant in this very important work.

We are committed to our resolve in remaining completely non-partisan. We will never support or endorse any candidate or party.

January Topic Luncheon

Our first Topic Luncheon event for 2011 will take place on January 20th at the Palmdale Hotel, at 11:30 am.

Topics will include: China/US Economy, TSA Screening, Cactus Curtain, Michelle Rhee/Education Reform, Government Bailouts, Campaign Finance Reform, Public Safety, and the new change in our

election procedures, Open Primaries .

Cost to participate is \$20 and RSVP is essential.

If you would like to be placed on the list of table moderators for future Topic Luncheons please call (661) 274-1277 or email your request to shaw@speakeasy.net
